

**Literaturverzeichnis zur Blickdiagnose „Rezidivierende Kolondivertikelblutung“  
von Dr. Clemens Stiegler und Professor Dr. Claus Schäfer  
Bayerisches Ärzteblatt 6/2020, Seite 261**

- [1] Clinical behavior of complicated right-sided and left-sided diverticulosis.  
Wong SK, Ho YH, Leong AP, Seow-Choen F  
Dis Colon Rectum. 1997;40(3):344.
- [2] Bleeding colonic diverticula. A reappraisal of natural history and management.  
McGuire HH Jr  
Ann Surg. 1994;220(5):653.
- [3] Effectiveness of therapeutic barium enema for diverticular hemorrhage  
Matsuura M et al.  
[World J Gastroenterol](#). 2015 May 14; 21(18): 5555–5559
- [4] Therapeutic barium enema for bleeding colonic diverticula: Four case series and  
review of the literature  
Jun-ichi I et al.  
[World J Gastroenterol](#). 2008 Nov 7; 14(41): 6413–6417.
- [5] Barium Enema for Treatment for Diverticular Bleeding  
Brigit van Dijk et al.  
[ACG Case Rep J](#). 2018; 5: e71
- [6] High-Dose Barium Impaction Therapy Is Useful for the Initial Hemostasis and for  
Preventing the Recurrence of Colonic Diverticular Bleeding Unresponsive to  
Endoscopic Clipping  
Ryota N et al.  
[Case Rep Gastrointest Med](#). 2013
- [7] High-dose barium impaction therapy for the recurrence of colonic diverticular bleeding:  
a randomized controlled trial.  
Nagata N et al.  
[Ann Surg](#). 2015 Feb;261(2):269-75
- [8] Effectiveness of therapeutic standard concentration barium enema for colonic  
diverticular bleeding: Preliminary results  
Yuriko M et al.  
[Eur J Radiol Open](#). 2019; 6: 139–143.
